

Creating a Painting in Colored Pencil with KRISTY KUTCH

February 7-9, 2019, 10am-5pm

Take a February "cabin fever break"- come to Quincy, Florida! Kristy Kutch, an experienced, supportive workshop instructor, welcomes you for three fascinating days, exploring the remarkable range and potential of colored pencil techniques. Waxy/oily and watercolor colored pencils, even some watercolor crayons (water soluble wax pastels), will be featured, combining them for "painterly" results. Giving frequent demonstrations, Kristy acquaints students with an abundance of related materials. Kristy is the author of the books *Drawing and Painting with Colored Pencil* and *The New Colored Pencil*. She is also the featured artist in four instructional colored pencil DVDs. Students receive a generous supply of sample products, including new items on the art scene. (No exaggeration: bring a spare tote bag!)
