

# The Art of Waves

oil painting workshop with  
**ROBERT J. SIMONE**

**April 5-7, 2018, 10am-5pm**

Unlock the mysteries of painting waves in oil! Learn to capture the brilliant colors and textures of water as it crashes onto the beach with master artist Robert J. Simone, signature member of the American Society of Marine Artists. Simone has been published in Plein Air Magazine, Fine Art Connoisseur, and has won many awards in Plein Air festivals and competitions.

Over the course of 3 days, attendees will work start to finish on a work of art in oil (acrylic possible if using "open" acrylics). With ample demonstration time, time at the easel, and individual instruction, every participant will create their own "signature" piece.
