

Capturing Intriguing Light oil painting workshop with **KATHLEEN DENIS**

May 30-June 1, 10am-5pm

Kathleen Denis generously and thoroughly teaches the essential elements to help you create a great work of art that captures the light and intrigues the viewer. She will include applicable daily lectures, demos and personal hands on assistance. Day one you will learn how to make creative compositions with focal points and depth, while developing and applying value studies. Day two you will learn how to mix, choose and apply colors that captivate your viewer. And day three you will learn how to add the finishing touches with edges and details needed to create your masterpiece! Kathleen works with various levels of students, but some painting experience is needed. This class will be taught in oils.
