

## ART TRIP TO BENTONVILLE, ARKANSAS

May 6–9, 2020

Join us for a trip to Bentonville, Arkansas, a beautiful and exciting cultural destination found in a charming, historic small town in Northwest Arkansas.

We will explore the [Crystal Bridges Museum of American Art](#), world renowned for its architecture, American art collections, and cutting edge exhibitions. We will enjoy a guided collections tour, explore the new [Kusama Infinity Mirrored Room](#), have luncheon at Eleven, tour the [Bachman-Wilson House](#), and have time on our own to explore the [State of the Art II](#) exhibition and additional offerings in and around this amazing museum.

Our group will also experience:

- lodging at [21c](#), a boutique hotel and art museum rolled into one!
- a tour of [21c collections](#) with curator Dayton Castleman
- a visit to [The Momentary](#), a brand new, cutting edge contemporary art venue
- a visit to the [Museum of Native American History](#), an exquisite small museum housing 10,000 fine Native American artifacts, founded by David Bogle, a registered member of the Cherokee Nation

Additional attractions will include (1-2 of these, based on availability):  
[The Mildred B. Cooper Memorial Chapel](#), a Prairie School of architecture design by E. Fay Jones

[George Dombek Studio and Gallery](#) – a visit with this nationally acclaimed watercolorist and sculptor

[Terra Studios](#) sculpture park, purportedly “home of the bluebird of happiness!”

This trip includes ground transportation and admission to all venues, three dinners at fantastic restaurants including [The Hive](#) and [Tavola Trattoria](#), and two luncheons. Travelers are responsible for daily breakfast and transportation to and from Bentonville.
