

Anne G. Draper  
Chattahoochee, FL

Education: Hood College, Maryland, Art History and Drawing  
Florida State University, Photography and Interior Design

Career: Engineering and Surveying: CAD Draftsman and Designer.

When my husband Jerry and I retired to Gadsden County I picked up a camera and went walking. The North Florida landscape, with domestic and wild animals, thrills and inspires me. Mother Nature never lets me down. I can't get enough.

My hobbies are all outdoor sports, photography and writing.
