

Joan Kanan

I started my second career as an artist after years of working in education and state and local governments. I work with clay, acrylics and oil. I have shown my work in galleries and shows in Tallahassee, Apalachicola's Art and South Georgia. Those include the Annual Art in Gadsden Show, Westminster Oaks, FAMU, the Apalachicola Art and History Center and the Senior Artist Show at the Tallahassee Senior Center. Nomads Gallery in Tallahassee and The Waterfront Gallery in Apalachicola have also carries my work and I currently have works for sale at the Wiregrass Gallery in Thomasville, GA. My style varies but I like strong colors and bold statement to be reflected in my work. My subject matter is taken from my travels and reflects the beauty of the coastal south. My work can also be viewed on Facebook @ JoanKananExpressions.
