Are you a current Gadsden Arts Member? Yes No Membership Valid Through _____

Please note that all Consignors must remain current members while selling items in the Museum Shop. If your membership lapses while you have items on consignment and you make a sale, your membership fee will be deducted from your commission, only if that commission is enough to cover your membership dues.

Museum Shop Committee considers these criteria when choosing Consignors for the Museum Shop:

- **Item Quality** - Are the items well crafted and in excellent condition?
- **Uniqueness** - Are the items original? Do they connect with local themes? Are there similar items like it already in the shop?
- **Display Quality** - Are the items designed so that they are easy to display? Is the Consignor following our display guidelines (see Consignor Guidelines)?
- **Price Suitability (for our shop)** - How likely would our audience be to spend the amount for the item? Is it in range with items that have sold well in the past?
- **Display Availability** - How much space is available in the shop? How would these items look in the shop? Where are they best displayed? Is that space available? Does the size of the item work in the available space?
- **Sale History (if applicable)** - How well have items sold in the past? At what prices have they sold in the past?

1. Please describe the consignment items you would like to sell in the Gadsden Arts Museum Shop.
